Educare alla sostenibilità: risultati, dialogo e prospettive

Sabato 14 marzo 2026

ore 10.00

Direzione Didattica Secondo Circolo Comparozzi di Perugia

Via Magno Magnini
Perugia

greencomp-project.com

GREEN COMP School

GreenComp School aims to develop blended training for all educational sectors with the goal to foster sustainable mindsets of primary school students and their parents by training and equipping teachers and students of HE primary school departments with micro-credential courses and flexible interdisciplinary training for primary school students and their parents.

ACTIVITIES

- Validation of GreenComp for the school Context
- Development of Micro credential Training Courses
- Development of training tools for Pupils & Parent.
